MEMORANDUM

To: Yamhill and Polk County Board of Commissioners
From: Kenneth Friday, Senior Planner *KF*
Re: Yamhill Basin Council

February 16, 1995 the Yamhill Basin Council Steering Committee met to recommend appointments to the Yamhill Basin Council. The goal of the basin council is to identify problems and needs in the watershed and develop a basin action plan. To do this the council must represent a broad range of interests in the Yamhill Basin. The steering committee has identified members it believes will accomplish this goal. These appointments need to be approved by both the Polk and Yamhill County Board of Commissioners. The steering committee has recommended the following appointments:

<u>NAME</u>	<u>AFFILIATION</u>	<u>REPRESENTING</u>
